

# Community Service

Dear Milne Brothers Roofing,

I just wanted to take a moment to express my sincere thanks for the time, energy and support you devoted to the Homes for our Troops activity that resulted in my beautiful new home in Herriman. A house that has everything accessible to me was beyond my imagination until you and people like you stepped up and did things that normal people just wouldn't even think about doing. This home will help build the foundation for the rest of my life. I am touched by your generosity and thankful beyond words...this is appreciated so much and you cannot begin to know how wonderfully humble and grateful I truly am!

Sincerely, Bryant Jacobs
